

Romans in a Nutshell

Paul has a message to share. (Ch. 1)

God's Wrath Is:

Real

Evident

Unavoidable

Deserved

Ugly

All-Encompassing (Ch. 2)

And the Jews have to face it on two fronts!

But we all have to face it because "None are righteous." (Ch. 3)

Not even under the Law. (vv. 19-23)

Then how can anyone be saved if not by law or works? Faith! (vv. 27-31)

Of, course, that's nothing new (Ch. 4)

Yet, oh so much more; we're justified! (Ch. 5)

Not just justified, but sanctified (Ch. 6)

And now that we're sanctified, we are joined to the body of Christ! (Ch. 7)

And that means we're now alive, and free, and victorious in Christ! (Ch. 8)

God chose the method of salvation, just as He has always chosen who to save. (Ch. 9)

But God has also chosen to let us choose if we want to accept that way. (Ch. 10)

But don't think He can't change His mind if we change ours. (Ch. 11)

Since God has offered salvation, and we've accepted it, live like you mean it (Ch. 12-13)
Sacrificially and Transformed!

With humility, love, compassion, peace, goodwill, submission, obedience,
and love. Remembering, time is short!

Therefore, your one and only priority should be building the Kingdom of God (Ch. 14)

Even if that means you have to go without! (Ch. 15)

God bless you all! (Ch. 16)
